Hi Jillian,

I think it is a good idea. These STAC workshops always have the most active researchers on the issue at hand. It would be good to make contacts and talk with them about the Anacostia trash TMDL. Thanks, Jen

Hi Evelyn and Jen,

I'm wondering if I'd be able to attend this 2-day workshop on microplastics if possible. I think it would be incredibly informative and would better inform our trash efforts throughout the region. The workshop is held near DC in early February and is free, so we'd only be paying 2-night lodging/per diem. Let me know what you think. Thank you!!

Jillian Adair

Subject: STAC Workshop: Microplastics in the Chesapeake Bay - Pre-workshop Questionnaire Due January 16

Good Afternoon,

Thank you for responding to the invitation to attend the upcoming STAC Workshop "Microplastics in the Chesapeake Bay and its Watershed: State of the Knowledge, Data Gaps, and Relationship to Management Goals". The workshop will be held on **February 4-5, 2019** (snow date - February 20-21) at George Mason University's Potomac Science Center in Woodbridge, VA. For more information, follow the link above to the workshop web page - materials will be posted here as they become available.

Pre-Workshop Questionnaire

In order to help guide and facilitate the discussion during the workshop, a questionnaire with a series of discussion questions have been generated by the steering committee. Answers to these questions will help us use the limited time at the workshop as efficiently and effectively as possible. Please submit your answers by Wednesday, January 16 - responses will be collated and made available prior to the workshop.

Survey - <https://goo.gl/forms/uOpYwTbzobouz1n2>

Last Call for Travel Funding

We have a small amount of travel funding available to reimburse non-Federal participants for expenses incurred to attend the workshop. Claimable expenses may include mileage for a personal vehicle, tolls, overnight accommodations, and/or meals at the per diem rate for Woodbridge (gsa.gov/per diem). If you have not already indicated to me that you need travel support and still do, please let me know by COB on Friday, January 11.

- A hotel block will be set up at a nearby location - information and rates will be shared shortly after the new year.
- A light breakfast and lunch will be provided to registered participants on both days. If you have any dietary restrictions, please let me know as soon as possible.

If you have any additional questions or concerns, please do not hesitate to contact me. Thank you, and Happy Holidays!
